The Edgar Rice Burroughs Library of Illustration

Volume One of this three-volume, deluxe limited edition is now available!

Containing 32 color plates, around 100 b/w plates, and many deluxe features, this 9" x 12" volume contains mostly the artwork of J. Allen St. John.

Published less than six months ago in a numbered edition of only 2000 copies, already more than 1300 copies are sold. This edition is certain to be sold out before the end of the year... so order NOW to reserve your numbered copy!

Each volume in the edition is \$60. I guarantee your total satisfaction with this edition, with a full money-back, no-time-limit guarantee! Many fans are calling this the collector's edition of the year, so don't wait too long and miss out... when the 2000 numbers are reserved, it is sold out forever! Send \$60 today for Volume One... I promise you will be delighted!

GRAPHIC GALLERY A CATALOG OF ORIGINAL ART FOR SALE

In addition to publishing for collectors, I also buy and sell original artwork, specializing in certain artists. I maintain the world's largest inventory of artwork for sale by these specific artists... so you should contact me if you are interested in either buying or selling originals by these artists:

Carl Barks, Milton Caniff, Percy Crosby, Roy Crane, Billy DeBeck, Disney Studio artists, Hal Foster, Virgil Finlay, Frank Frazetta, Chester Gould, Frank Godwin, George Herriman, Burne Hogarth, Walt Kelly, Frank King, Harvey Kurtzman, George McManus, Clifford McBride, Alex Raymond, E. C. Segar, J. Allen St. John, Cliff Sterrett, and any of the EC comic book artists.

Several times a year I publish my illustrated catalog of original art for sale, GRAPHIC GALLERY. Now in its 10th issue, GRAPHIC GALLERY has printed more originals by Barks, Frazetta, Raymond, Foster, and other top artists than all other similar publications combined. Back issues of GRAPHIC GALLERY are the closest thing you can find to an "original art price guide", with each original clearly printed and priced.

First-class subscriptions to GRAPHIC GALLERY are \$5 per issue, and book-rate subscriptions and back issues are \$4. each. Back issues available are #5 through the current issue, #10.

A Collector Carton is a heavy-duty corrugated cardboard box with all inside surfaces coated with a thin plastic film. As you can see from the picture, they are perfect for storing comic books.

One CollectorCarton measures 9" x 11" x 3" deep and will hold from 20 to over 30 comic books. A box of ten (10) CollectorCartons is \$20... which means that for only \$20 you can place from 200 to over 300 of your comics in CollectorCartons, where they are protected from light, heat, and moisture... and they are accessible anytime you want to look at them.

CollectorCartons, tightly filled with your comics, can be stacked either flat or vertically, and with the contents marked on each carton, you can pick out any comic in your collection with a minimum of searching. And each carton holds about the right number of comics to pull out and browse through at one time.

Constant exposure to light, even indirect sunlight, can yellow newsprint in a matter of months. The only time light should fall on the pages or covers of your valuable comics is when you are looking at them... the rest of the time your comics should be in completely enclosed, moisture-resistant, tightly packed CollectorCartons!

I feel so sure that you will agree with me and will like your collection better in CollectorCartons that I offer them with my usual total satisfaction guarantee. Send \$20 (plus \$2 postage) for ten (10) CollectorCartons now. If you don't like them, send them back for a full refund. So far, almost everyone who has ordered them has re-ordered, and I have received many letters from collectors who are pleased with them. Order today!

KING portfolio one

This extra-large (12" x 18") portfolio reproduces, from the original artwork, some of the finest work of King Features artists Alex Raymond, George Herriman, Hal Foster, Phil Davis, and others. Printed on heavy coated stock especially for the collector, KING PORTFOLIO ONE features work by these artists in the years 1935-1939, during the absolute PEAK of newspaper comic art in America, with a special emphasis on the work of Alex Raymond in the years 1935-1937. Guaranteed to please the most finicky collector! \$10. postpaid.

Frank Frazetta

Frank Frazetta is one of the most popular and influential fantasy and adventure illustrators in the world today. While he is known primarily for his oil paintings, he is also known to comic art collectors for his fine work in the comics. My portfolios THUNDA, UNTAMED LOVE, and the set of FAMOUS FUNNIES covers, which are all beautifully reproduced directly from Frazetta's originals, represent his finest work in the comics.

FAMOUS FUNNIES covers: Set of all eight of Frazetta's Buck Rogers covers, all in full color, in newly colored versions (colored by Frazetta), in an illustrated envelope... \$15.

THUNDA reprints the entire comic THUNDA #1, and UNTAMED LOVE reprints four rare stories from Personal Love comics. Crystal-clear reproduction from the original artwork. Very small supply left... \$7. each

I also carry the entire line of Frazetta posters, stocked in depth. These retail for \$3. each, with quantity discounts as follows: if your order totals at least 10 posters, the price drops to \$2.25 each... for a total order of at least 50 posters, the price is only \$1.75 each.

EC REPRINTS

I have a large stock of issues #3 through 12 of East Coast Comix' exact reprints of EC comics, at the following special prices:

10-99 issues (any mixture)60¢ each
more than 100 issues (any mixture)50¢ each

MIKE ZECK: VERY MUCH A PART OF THE NEW ROCKET'S BLAST COMICCOLLECTOR!

One of the most popular regular contributing artists of the RBCC is Mike Zeck (whose work most recently appeared on the "Destroyer" back-up strip in LOGAN'S RUN #6). The current issue of the RBCC, #134, is a "Flash Gordon" special which features no less than 8 pages of Mike's art. He provides the back cover and a similar interior page (partially pictured below), the feature page, the splash page to the "Flash Gordon" article (partially pictured at right) as well as a 4 page Flash Gordon strip (a couple panels from which appear at the right below). Of all the fine staff artists on the RBCC, Mike is one of the few whose work appears virtually every issue!

Each issue of the RBCC is 8 1/2 X 11 in format with slick cardboard covers and heavy white interior pages. Each issue averages 84 pages in length.

The current issue also features a beautiful brand new front cover by Steve Fabian of Ming crossing swords with Flash Gordon. There is also a centerspread by Tom Sutton, a 7 page article on Alex Raymond, a two page feature on the many imaginative rockets of Raymond's Flash Gordon strip, an interview with Buster Crabbe, eight pages on the first Flash Gordon serial, and eight pages devoted to an article on the satire of those serials, FLESH GORDON which is loaded with stills and artwork. Artist/writer Ron Wilber also contributes a six page Flash Gordon satire which is steeped in the traditions of Kurtzman and Elder and the early days of MAD. Highly entertaining! There is also a debate on the new KING KONG, a comic discussion column, the fanzine review column CRITIQUE as well as the fifth chapter of Don Rosa's comic strip adventure THE PERTWILLABY PAPERS. All this and more in just the current issue of the RBCC, fandom's only regularly published quality art and article comic art fanzine.

BROOKS/TODD **HEX AIDS!** You wouldn't believe
 the stupid thing I did. My
 partners and I prepared this
 really sharp-looking ad, and
 then I forgot to put our address on it. Isn't
 that funny? We paid 12 bucks and I fixed it so
 nobody could order from us. Well now I have to
 undo that damage or else my partners might
 damage me. So turn to page 51 of TBG #173 and
 check those bargains again. Only this time
 keep this address in mind:
 BROOKS/TODD 224 1/2 G Ave., Nevada, IA, 50201

EDITORIAL

It's time for the summer comic conventions once again! What better way, then, to present our first full color cover than to salute those unique shows that bring enjoyment to so many?

How many people on our cover can you name? Here's a list of who's who: (left to right, top to bottom...approximately!)

DC Publisher Jenette Kahn; Superman's co-creator Jerry Siegel with his wife Joanne and daughter Laura; TARZAN and MAGNUS, ROBOT FIGHTER artist Russ Manning, voice actor Mel Blanc; SUPERGRAPHICS own Jim Steranko standing behind his table; unknown Doc Strange and companion; Holly Peterson; Sergio Aragones taking time off from doodling MAD MAGAZINE border drawings to sign something for Dick Moores; just below, a SUPERMAN baby!; below that, preparing to hear a speaker talk; unknown Barbarian child; Gil Kane at a brunch talking with fans; crusading Captain Sticky with MARVEL COMICS publisher Stan Lee; back to the lower left now we find Ray Bradbury, noted science fiction author and nice guy; AWARDS TIME with (left to right) Richard Butner, executive Vice President of the San Diego Convention, Bob Clampett (Beany & Cecil), voice actress June Foray; Jerry Siegel, BROOM HILDA'S Russell Myers, voice actor Daws Butler, unknown man peeking out behind DAW'S talking to the Spirit's Will Eisner, author Robert Bloch, and finally Shel Dorf, super convention chairman and TBG columnist (in the red and black) with his arm on the movie's own George Pal; Bruce Hamilton holding up a nice Mickey Mouse painting; Russell Myers figure, holding the pen in between regular photos there; the audience, and Big Bird from Sesame Street shopping in the dealer's room! SOME LINEUP!

Most of these pictures were taken at the 1975 San Diego Comic Convention. The only exception is the top picture of Jenette Kahn snapped by Murray Bishoff at last November's CREATION CONVENTION in New York City. (The collage, by the way, is my work...done over a period of about a week! The original pictures are slides and I'll be glad to make prints for anyone if they'd like them...at cost.)

Now on to some less pleasant subjects:

We have received several complaints on BOB BURTON and would like to hear from anyone who has ordered from this person but who has not yet received merchandise. Please let us know even if you have been promised a refund, or told of a delay with your order. We are trying to work out some problems with him.

Speaking of problems, The Buyer's Guide itself has had some lately in getting several advertisers to honor credit we've given them on ads. We're usually more than happy to extend credit, take phone orders for repeat ads and such, and we do expect them to honor their debts. Several, however, haven't honored our repeated letters and phone calls to clear up the money due. I've sent all of these people letters and, in some cases, telegrams asking them to clear up their debts with us or their names will get published in The Buyer's Guide. No answer. So, sorry to say, here is a list of the people and we urge everyone out there to avoid doing business with them (or get caught like we did):

ROBERT BEERBOHM (California)
DON OLSON (Alexandria, Minnesota)
ABLE MAN BOOK SHOP or THOMAS ALTSHULER (Michigan)
J. H. REID (Australia)
SCOTT REICHERT or GODSTORM ENTERPRISES (Ohio)
JOHN ELLIS or TREKON (Florida)

SOME ADVICE ON MAIL ORDER:

Here's just some common sense advice: IF AN AD LOOKS TOO GOOD TO BE TRUE, IT PROBABLY IS.

While we do everything we can to screen advertisers, we can't personally oversee every order made as a result of the ad. Complaints do crop up...some very justified. (We're working on some fraud cases right now, with the Post Office and Attorney General).

Remember this, and take it as an invitation to you: As we keep a complete file on our advertisers, please feel free to call us before you send money through the mail if you have any doubts. We'll be glad to tell you whether this advertiser has a good rating with us, whether our mail from his customers has shown him to be reliable, but slow, whether this is his first ad with us, etc. Of course, we don't even accept advertising from people who we have received many complaints on (until they've straightened everything out). Our phone number is listed on page two of every TBG issue, so use it! (No collect calls, please)

See you next issue, in just a week or so, with Don and Maggie Thompson's BEAUTIFUL BALLOONS, the rest of the Ralph Bakshi interview, and more!

Take care,

Alan Light, editor

SUPER GRAB-BAG LOTS:

I've got a lot of comics
that I probably couldn't
sell singly anyway (not
that they're not good,
but a lot of them are
recent) so I've divided
them into 50-comic lots,
which I'm selling for
\$4.00 a lot. Each lot
will include some #1's
and lots of good stuff,
no Archie or funny
animals, almost all
super-hero, some com-
plete runs. When ordering
please specify if you
want mostly Marvel or
DC or you just don't
care, and I'll try to
accommodate you. I
guarantee that each lot
will have some very good
art (Kirby, Janson, etc.)
so BUY SOME!!!

Application for Membership in the Neo-American Church

1 Everyone has the right to expand consciousness and stimulate visionary experiences by
whatever means he considers desirable and proper without interference from anyone.
2 The psychedelic substances, such as marijuana and LSD, are sacraments, in that they
encourage Enlightenment, which is the realization that life is a dream and the externality of
reliance on illusion.
3 We do not encourage the ingestion of psychedelics by those who are unprepared, and
we define unpreparedness as familiarity with self-polluted nihilistic epistemological reasoning on
such models as David Hume and Hegel.
If you wish to join the church, fill out the blanks below and mail. Please enclose a
donation of at least \$10 to cover initial mailing and first year's subscription to Divine Toad
Sweet.
I wish to join, since I agree with the principles of the church.
All I want is literature and a year's subscription to DTS, but I do not wish to join the
church at this time.

THE WONDERFUL WORLD OF COMIC BOOKS

- Phantom Lady's patriotism: "America comes first—even before Dad"
- Gene Tunney and Jack Dempsey pen mash notes to *Sensation Comics*
- How a Ph.D. psychologist dreamt up Wonder Woman. Its strange psychosexual mix
- The first Tarzan story: 95,000 words written in longhand on somebody else's stationery by a 35-year-old pauper
- Plastic Man and Hugh Hefner
- Triumphant researchers unearth a pre-Disney Mickey and Minnie Mouse
- It came from Lafayette Street: the birth of *Mad*
- Comics Code Authority softens its stand against vampires and werewolves, provided they are "used in the classic manner"
- Little Orphan Annie's radio boyfriend: Why Joe Cornstassel was created
- Madam Fatal: here in drag
- Turnabout is fair play: "The Lonely Dungeon" (*Mystery Tales* #18) "proves" that the monster created Dr. Frankenstein
- *New York Magazine* brings back The Spirit
- The schizophrenia of the EC symbol: Education Comics (*Picture Stories from the Bible*) and Entertaining Comics (*Haunt of Fear*, etc.)
- Carl Barks' life at the Disney Studios: "I was just a duck man—strictly a duck man"
- Radio at its best—the opening chant of *Superman*
- Comic book wartime slogan: "Tin Cans in the Garbage Pile Are Just a Way of Saying 'Hell!'"

Well, it wasn't great literature (gasp!), but we all read it. On a lazy summer afternoon, the only sound heard in the land was the flipping of comic-book pages at Pop's soda fountain, or under the old elm tree (remember elms?).

In *The Comic-Book Book*, popular culture historians Dick Lupoff and Don Thompson continue the missionary work they began with the justly acclaimed pioneer volume, *All in Color for a Dime*. Aided by a crew of outrageously knowledgeable comic-book buffs and a batch of carefully chosen illustrations, they evoke the old magic—and also make some penetrating, scholarly, nostalgic and wildly funny remarks on those never-to-be-forgotten pleasures of our innocent youth.

Chockful of vital facts about Young America's favorite reading matter, *The Comic-Book Book* is an entertaining and evocative excursion into memory land and an important contribution to the study of pop culture.

MAGAZINE MANIA!!!

Just like all other manies, MAGAZINE MANIA is a psychological "ailment" which allows for a propensity toward magazines and the subsequent accumulation of such. MAGAZINE MANIA is also the "business" that permits you to acquire some choice paper products. MAGAZINE MANIA has a little different set of operating procedures than most of its comic compatriots. The first section of the ad below is an auction. Participants send no money -- only a bid. Only auction winners will be notified and the final price will include all postage and handling. The second section is a sale, but again, send no money. You see, MAGAZINE MANIA has so many different types of magazines that it cannot possibly list them all. Instead, it will offer general descriptions of what is available to interested parties. It does not mess with price lists, etc. (other than a partial listing in this ad), thus, based on the descriptions, you will be required to send your specific want lists and a SASE. Now, as soon as your want list arrives, I (I am MAGAZINE MANIA) will "pull" the items you have requested (providing I have them) and consider them sold. I'll then return your want list with my prices. If those prices meet with your approval, send money order or check (Caution: checks must clear the bank before shipment) and I will ship the goods. You will pay the postage. Those whose lists arrive later, but include an already claimed article will be notified that it has been "tentatively sold." All mail will be answered as long as a SASE is included.

MAGAZINE MANIA has only four possible conditions for its magazines: Mint(M), Fine (F), Good (G), and Rough (R). For instance, fine condition includes fine, very fine, very good, etc. You be the grading expert. If it says fine it will be in a condition resembling fine. And it will be as it says. The same is true for the other three conditions and, of course, they will be priced accordingly.

AUCTION! AUCTION! AUCTION! AUCTION! AUCTION! AUCTION!

You must be 18 and state so in order to purchase items in this sale. SASE will insure a reply. The following is a partial breakdown of what is available:

- 1) **PLAYBOY** - This area's most complete Playboy collector and "dealer" has single issues for sale from 1953-1976. Most are priced according to the third edition (1976) of The Collector's Guide and Price List of Playboy Back Issues, Budget Enterprises - LESS 10%.
- a) early issues (1953-1963) are available to those willing to pay the right price - what do you need? b) issues from 1966-1976 are on sale for \$1.00 per copy with an order of 10 or more. However, January issues are \$1 as are single issues if less than 10 are ordered. c) Playboy calendars
- 2) **MEN'S MAGAZINES** - Hundreds of them! a) "scissor-freak specials" (cut-up pages and covers but still enough to get excited about) - mostly 10 cents b) pictures and centerfolds from many misc. magazines - 40 for \$1.50 c) many misc. issues (1952-1976) with hundreds of titles - priced at \$.20-\$.75 d) digest-sized issues featuring movie star articles and pics - mostly \$.25 e) Collections of individual pics and magazines featuring Marilyn Monroe, Jayne Mansfield, Sophie Loren, June Wilkinson, etc. f) a mint (except for some yellowing of pages) collection of misc. magazines that could have been picked off the shelf yesterday and been no worse for wear - \$1-\$2 g) Collection of first and early editions of many mags (1950's-1970's).
- 3) **NATIONAL GEOGRAPHIC (1913 - 1970)** (incomplete) - These range from rough to mint and prices range accordingly.
- 4) **COMIC BOOKS** - Sure, I got a few. Nothing expensive, just some Dell's and DC's primarily used for trade. Some first and early editions.

SEND bids and want lists to: MAGAZINE MANIA, 224 Lantern Dr., NW Comstock Park, Mi. 49321 or call (616)363-8381 after 6:00PM(EST).
